<sup>1</sup> Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>2</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

**CORPORATE GOVERNANCE STATEMENT**  
**FOR THE FINANCIAL YEAR ENDING 30 JUNE 2019**

This Corporate Governance Statement is current as at 13 September 2019 and has been approved by the Board of the Company.

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ending 30 June 2019, followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

To date, due to the current activities, Ngualla Project ownership structure and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from forming individual Board committees and that its resources would be better utilised in other areas. Other than the Nomination Committee, under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company notes the fourth edition of the ASX Corporate Governance Principles (Fourth Edition) for application for the financial year beginning 1 July 2020 and will continue to review its Governance practices during the 2019/2020 year such that they remain appropriate for the Company's activities.

The Company's Corporate Governance Plan is available on the Company's website at: <http://www.peakresources.com.au/corporate-governance/>
