### **About Locality Planning Energy Holdings Limited (LPE)**

The company was founded in 2010. In January 2016, Locality Planning Energy was listed on the ASX as an electricity retailer to residential and commercial customers. It quickly developed a reputation as an energy supply specialist in residential apartment communities (embedded networks) throughout South-East Queensland. Two years later in 2018 it received financial backing from investment giant BlackRock. LPE now offers a range of utility supply services to residential, commercial, new build and strata customers. Products and services include direct electricity supply, embedded networks, solar solutions and billing services for other utilities.
